

# HEALTHDYNAMICS

Health is wealth, so the proverb goes.

THE HEALTHCARE INDUSTRY IS RAPIDLY GROWING IN MALAYSIA AND **DYNAMIC SEARCH** IS HERE TO HELP YOU UNDERSTAND YOUR CUSTOMERS' AND CLIENTS' CHANGING NEEDS AND EXPECTATIONS.

**We engage with senior stakeholders in the healthcare market such as healthcare professionals, caregivers, doctors and specialists. With our extensive experience, your Healthcare Research is in good hands.**

Pan through the following Healthcare studies to see which is relevant for you:

- Customer satisfaction of healthcare provision
- New facilities and service testing and feedback
- Public perceptions
- Opinions of specific micro-targeted segments e.g. diabetes sufferers
- Health policy knowledge and feedback

Potential users of Healthcare data are: healthcare policy makers, health insurance providers, hospitals, specialised clinics, healthcare associations, private healthcare institutes, pharmaceutical companies, drug technology companies, medical products manufacturers, medical research, IT healthcare developers and healthcare advisors.
